

Dear fellow Envision 2020 Stakeholders,

Just so you know, the greater Mankato-North Mankato Area Million Tree Project -- a outgrowth of Envision 2020 -- is currently raising funds for its initial planting this spring. It has set a modest \$5,000 as its goal. At the moment about \$2,000 has been raised. The Project needs to raise the remaining \$3,000 soon in order to purchase the seedlings. Donations are tax deductible.

If you have any suggestions as to how to quickly raise the remaining \$3,000, please email me at leighp@rdjkt.com or call 507-317-9421. Or if you want to make a donation, you may send it to:

Centenary Million Tree Project
c/o Centenary Methodist Church
501 S. Second St., Mankato, MN 56001
(Please include your name, address, telephone number and email address.)

Let's make this project a success, and in the process elevate our area to be a leader among Minnesota cities in urban reforestation.

Leigh Pomeroy
